Giving people a voice

We give people a voice.

At Duncan Lewis, we believe that everybody should receive the best possible legal advice, whatever their social background or financial circumstances.

We are proud that we are the UK's largest provider of publicly funded (legal aid) civil law services. Our size means we have the resources, and the specialised expertise, to give every client a very high quality service in every area of law in which they need our help (over the page you can see our full range of services).

The diversity of our clients is matched by our 400 staff – who share 65 nationalities and speak 70 languages – although of course we also use interpreters as necessary.

Legal proceedings can seem very intimidating – let Duncan Lewis be your guide and help you get the result you need.
