Murder squad detectives have been called in after a man died in west London today.

Police said a 42-year-old man died at the scene in Ryefield Road, Uxbridge after he was found unconscious at a property at around 1pm.

Paramedics from the London Ambulance Service battled to save

his life but he was pronounced dead at the scene just over an hour later, Scotland Yard said.

A man in his 50s has been arrested and taken to a west London police station in connection with the incident.

A police spokesman would not be drawn on the basis for the arrest.

He also refused to confirm reports that the victim was stabbed, saying officers were investigating allegations of an assault.

Officers from the Homicide and Major Crime Command (HMCC) and Hillingdon borough are investigating.

A London Ambulance Service spokeswoman said the victim suffered a cardiac arrest before he died.

She said: "Extensive efforts were made to resuscitate him but sadly he was pronounced dead at the scene".
